Post War disillusionment

Acceleration of Social Change?

Increasing Role of State in citizens' lives

WW1 - Total War led to govt control of industries
 WW2 - Propaganda

Censorship

WW1 - Defense of Realm Act (Britain)

Conscription

WW1 - Heroism ideals young boys wanted to serve country
 WW2 - African Americans able to enlist

Civil Liberties

WW1 - women received right to vote in some countries, less restrictions. Trade unions accepted. (Cooperation necessary)
 WW2 - women return to kitchen

Labor Force

WW1 - women in labor force. African Americans trade unions
 WW2 -

Demographic changes

WW1 - 1.5 Armenians killed. Encouraged Hitler
 WW2 - People were displaced

Psychological impact (rationing/shortages)

WW1 - every country had to ration, or Britain - Ministry of Food
 Shell shock.
 WW2 - not as bad as WW1 bc they knew what to expect.

Minority Roles in Society

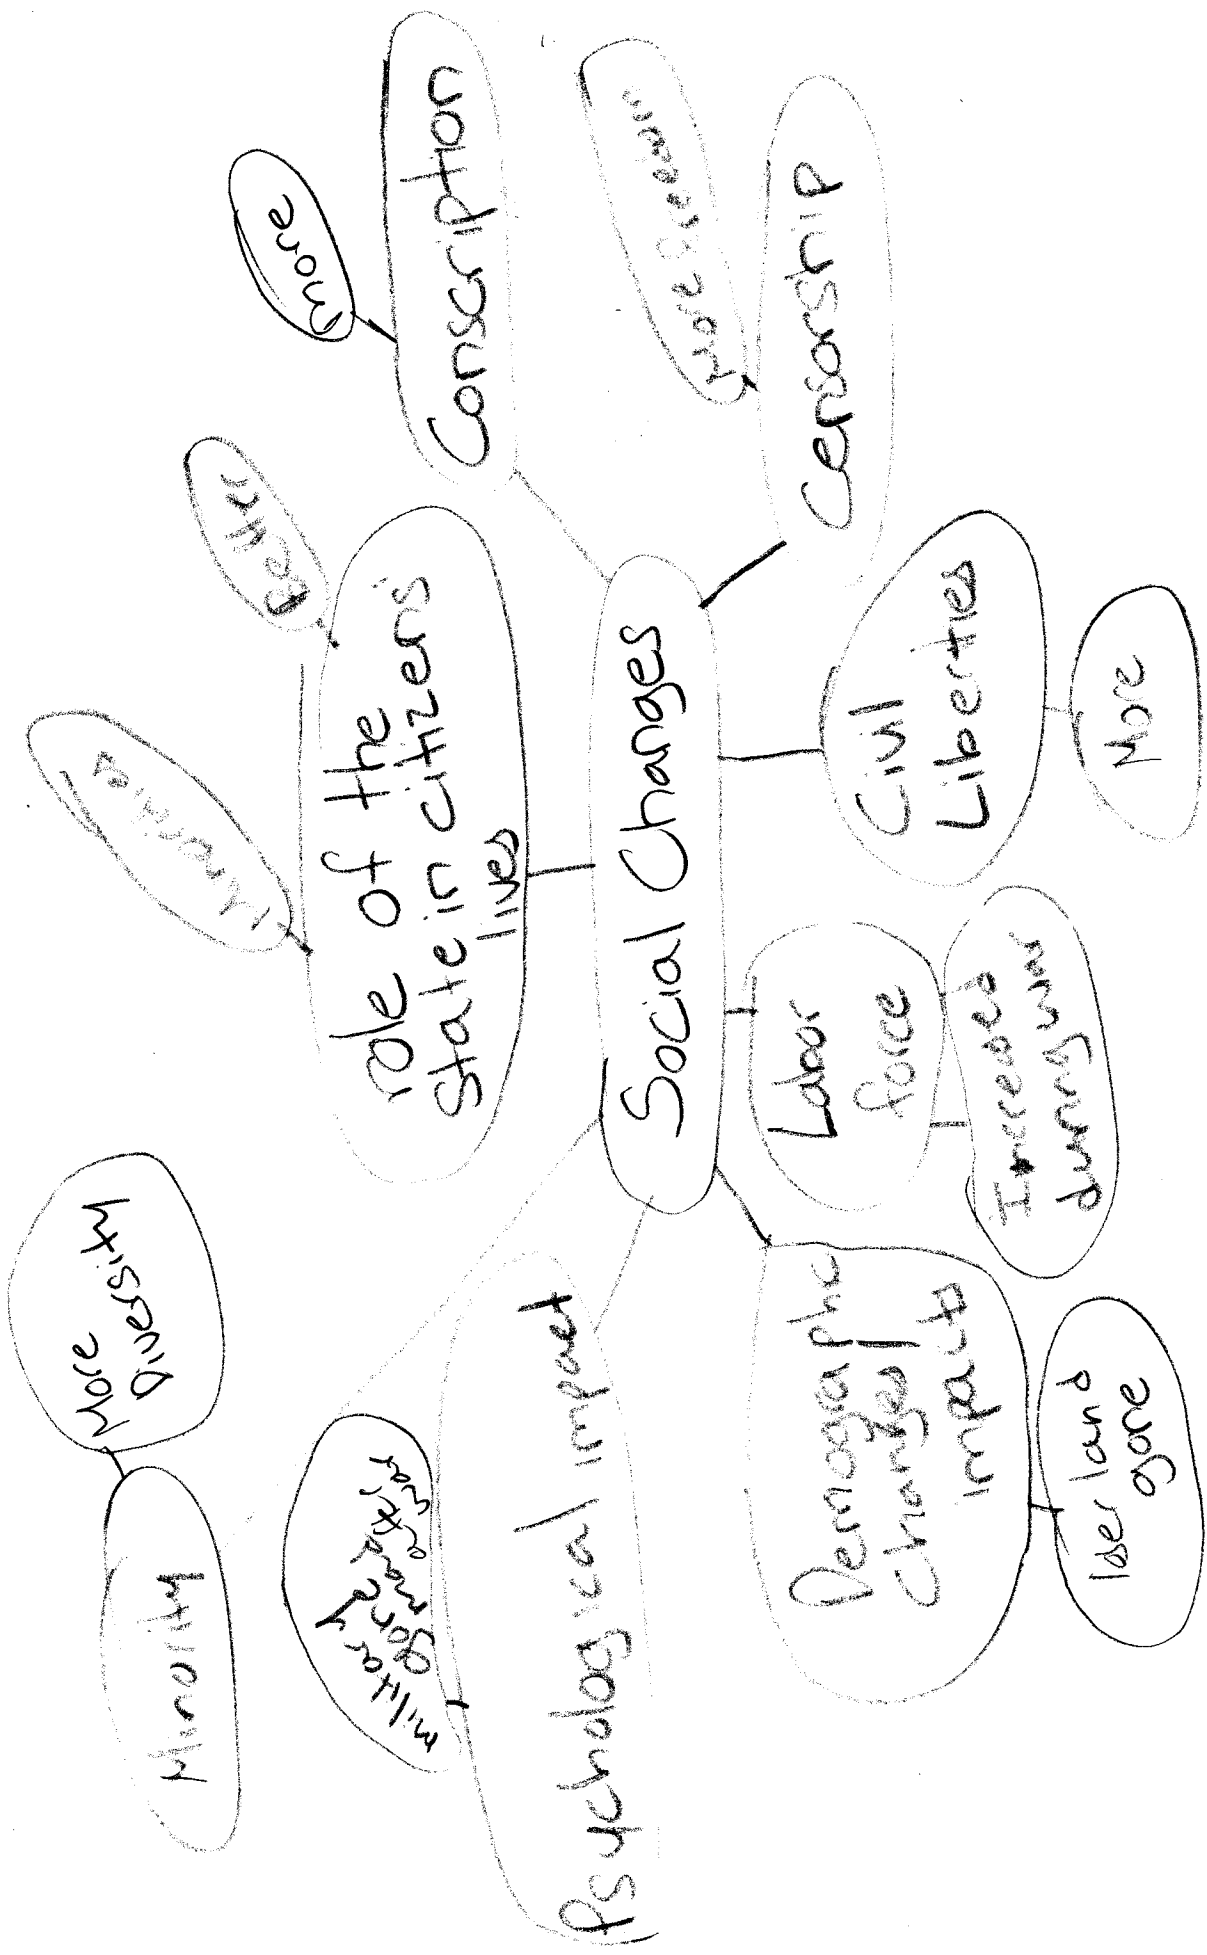

WW1 - racial segregation support duties
 roles of women expanded
 WW2 - Integrated but separated military ROTC and strikes

- world population decreased significantly
- not a lot of soldiers care back after wars due to death
- some soldiers came back without
- many got drafted

• Mussolini censored / controlled the media and used propaganda.

- no civil liberties in Italy because of Mussolini (Soviet Union under Stalin also had no civil liberties)

- increased wages
- paid on holidays
- limited work hours
- women could work
